

2024 GTAV Geography Trial Exam Marking Grid

Name: _____

Question	Requirements	Marks	Marks awarded and comments
1	<ul style="list-style-type: none"> Quantified the overall loss between 2002 and 2016 Additional detail in the overall loss (e.g. average rate of loss per year or peaks/troughs) Described locations with ice gains and included quantification Described locations with ice loss and included quantification 	1 1 2 2	
2a	<ul style="list-style-type: none"> Identified natural process Described natural process Identified human activity Described human activity Explained the interconnection 	1 1 1 1 1	
2b	<ul style="list-style-type: none"> Identified appropriate global or national response Link to a specific location Provided elaboration (specific details which could include quantification) 	1 1 2	
3	<ul style="list-style-type: none"> Refer to rubric 	10	
4a	<ul style="list-style-type: none"> Land use change (LUC) clearly identified One reason clearly identified Elaboration of reason, linking to LUC Planning strategy identified Influence of strategy, linking to LUC 	1 1 1 1 1	
4b	<ul style="list-style-type: none"> Clearly identified research question Identified appropriate primary data Elaborated with evidence from data 	1 1 2	
4c	<ul style="list-style-type: none"> Identified one positive impact Evaluative statement Provided evidence to support the evaluation Identified one negative impact Evaluative statement Provided evidence to support the evaluation 	1 1 1 1 1 1	
5a	<ul style="list-style-type: none"> Stated a suitable definition 	1	
5b	<ul style="list-style-type: none"> Outlined one factor contributing to high TFR with elaboration Outlined one factor contributing to low TFR with elaboration 	2 2	

5c	<ul style="list-style-type: none"> Identified Country X as growing Explained the high proportion of the population in childbearing years Included accurate reference to data with quantification 	1 1 1	
6a	<ul style="list-style-type: none"> Outlined whether the population is increasing or decreasing in Stage 4 of DTM Outline that birth and death rates are low and stable in Stage 4 of DTM Justified why Country Y is in Stage 4 based on the data trends and refer to appropriate data 	1 1 2	
6b	<ul style="list-style-type: none"> Outlined an appropriate issue Referenced Stage 5 of the DTM and/or an ageing population 	1 1	
7	<ul style="list-style-type: none"> Refer to rubric 	8	
8a	<ul style="list-style-type: none"> Stated a suitable example of international migration with reference to a country of origin or destination Outlined the reason for migration Elaborated in the form of additional detail or statistics 	1 1 1	
8b	<ul style="list-style-type: none"> Stated the extent of the change to population structure Justified the extent of the change with discussion Elaborated with reference to population growth, population structure diagrams, age cohorts and proportions, and statistics 	1 1 3	
9	<ul style="list-style-type: none"> Refer to rubric 	10
